

LENTEN MISSION:

The Living Word of God: Studied, Prayed and Lived

Monday, March 5 - Wednesday, March 7

7:00 - 8:30 PM

Immaculate Conception Church

MONDAY, MARCH 5

The Living Word of God: Studied and Prayed

Fr. James Villa, OFM - Siena Friary, Mt. Vernon – Scripture teacher

The living Word of God comes to us “wrapped” in the language, culture and history of those who handed over their experiences to us. Through study and prayer, the Holy Spirit helps us to “unwrap” the living Word of God so that we can understand and follow it in our own time, in our own lives.

TUESDAY, MARCH 6

The Living Word of God:

Lived in the Divine Office and the Holy Face

Dom Bernard Schinn, OSB - Holy Face Monastery, Paterson, NJ - Prior

PAX † The Rule of St. Benedict continually reminds us that our life is a God-centered life; that the whole of our monastic life ought to be directed towards seeking His Holy Face. For this purpose, several times each day we gather together for the Divine Office (Opus Dei). “So that God may be glorified in all things” (Ut in Omnibus Glorificetur Deus)

WEDNESDAY, MARCH 7

The Living Word of God: In the Stories of Our Lives

Monsignor Joseph Martin - St. James Parish, Carmel, NY

Past director of the Parish Mission Team

What are the stories of how the Word of God has come alive in your life? Sometimes they are so obvious, we don't even recognize them.
